Level	100	200	300	400
Topic	This level has a basic belief in God, but they are unsure about Christ and his role in their lives.	This level has a personal relationship with Christ. They've made a commitment to trust him with their salvation and for their eternity, but they are just beginning to learn what it means to be in a relationship with him.	This level depends on Christ daily for their lives. They see Christ as someone who assists them in daily life. On a daily basis, they turn to him for help and guidance for issues they face.	This level would identify their relationship with Christ as the most important relationship in their entire lives. They see their lives as fully surrendered to Jesus and his agenda, subordinating everything to his will and his desires.
